DURWOOD MEDLIN

The photos in this book were taken at the home of Durwood Medlin. Durwood's unique collection of classic cars illustrate a time when body lines were important and owning a car seemed more personal. The cars in this book as resale investments and Durwood manages the lot as a source of income. So if you are a buyer, looker or photographer, feel free to stop by, but please knock first and ask permission to visit.

I am thankful to have met Durwood, his family and his cars.
