

# PAGE TO BLUFF TO BLANDING

5/26 & 27/2023

WE DROVE PAST ANTELOPE & HORSESHOE CANYONS AGAIN. SOMEDAY MAYBE I WILL STOP, BUT IT'S JUST SOO TOURISTY. I AM SPOILED BY THE (MOSTLY) OPEN ACCESS TO SO MANY OTHER AREAS (WITH FEWER PEOPLE).

WE STAYED AT SAND ISLAND, THERE WAS A LOT OF ROOM THERE AND I WAS SURPRISED THAT MOTORHOMES (22') WERE OK. SO WAS A WOMAN THERE WHO ASKED ME TO LEAVE (WE DIDN'T) BECAUSE SHE NEVER SAW MOTORHOMES THERE BEFORE AND IT WAS MOSTLY FOR TENTS.

THE SAN JUAN WAS FLOWING FAST AND OVER IT'S BANK WHICH ELIMINATED THE POSSIBILITY OF SEEING THE WOOLY MAMMOTH SITE AND TRAIL. I WAS ABLE TO BE AT THE LARGE WALL AT SUNRISE WHICH GAVE ME SOME IMPROVED LIGHT.

WE TRAVELED UP SOME SIDE-ROADS TO SEE SMALL PETROGLYPH SITES. THAT WALL OF ROCK HEADING TOWARD HOVENWEEP MIGHT HAVE SOME PROMISE TO JUST ROAM AROUND A LITTLE MORE.
